

Summary of Changes for the RENEWAL review of the HEMATOLOGY/ONCOLOGY CLINICAL PHARMACIST STANDARDIZED PROCEDURES

SFGH was updated to ZSFG throughout.

Section III. Added “consistent with the needs and expectations of the DPH and SFHN” to Scope of supervision required 1.

Section IV.

A., item 3: Updated statement with the accreditation requirement that ensures that the program attended meets the standards and provide assurance to our institution of the quality of the training.

B., item 2: Changed Annual to Reappointment

Section V. D. Management,

- 2. Deleted mention of the “Performance Improvement Chemotherapy Nursing/Pharmacy Monitoring tool” because it is no longer as EPIC records who does the pharmacist verification and Epic does the order calculations.
- 3. Deleted the specific guideline citations as they may change, grow, contract with evolution of the position
- 4. Added clarifying statements about over the counter medication recommendations

Section V. Section E. Record Keeping

- Time changed from 24 to 72 hours to be consistent with all SFDPH outpatient clinics

Section VII. D. Management, 2. Added clarifying statement
