

Summary of the modifications of the SURGERY CLINICAL SERVICE RULES AND REGULATIONS for 2020

- All terminology was updated to reflect current facility designation (i.e. SFGH to ZSFG)
- Mention of the old EMR was removed and replaced with the term “EMR” throughout
- Updated information re: service structure changes
- Updated information RE: new positions created
- Updated information Re: new educational programs
- Removed outdated language and documents that didn’t reflect current practice
- Removed extraneous information that is better contained in alternate documents and are not appropriately part of “Rules and Regulations”

Respectfully submitted,

Deborah M. Stein, MD, MPH, FACS, FCCM
Professor in Residence, Department of Surgery, UCSF
Chief of Surgery, Zuckerberg San Francisco General Hospital and Trauma Center
